Ok, thanks. Another quick question. It was our initial understanding that, when submitting each month's invoice we adjust it by how much we went over or under on spending from the previous month's request. Is that accurate, or is over/under spending only addressed on the QER? - Carrie

You will want to get those to me as soon as possible after the end of the quarter, because we can't make the quarterly adjustment on your next invoice without knowing how much to adjust by.

Hi Emily,

Quick question, are the QERs due to you on the 15th of the month following the end of each quarter? I'm not seeing a due date listed anywhere.

Thank you!
Carrie
